

Adobe Illustrator: Updates, Tips & Tricks

Print/Publishing Course

Tuition: \$359

1 Day Hands-on Course

With this one day course, you will learn how to upgrade your knowledge of previous versions of Adobe Illustrator to the latest version of the creative suite. This course is geared toward all professionals working in print who have a working knowledge of Adobe Illustrator.

PREREQUISITES: This course assumes that you are familiar with using personal computers and have used a mouse and keyboard (basic typing skills are recommended). Specifically, you should be able to launch and close programs; navigate to information stored on the computer; and manage files and folders. This course also assumes that you have previous working knowledge of a previous version of Adobe Illustrator.

WHO SHOULD ATTEND: This course is geared toward all beginners or professionals working in print and graphic design who have or plan to upgrade Adobe Illustrator.
