

Adobe Photoshop: Updates, Tips & Tricks

Print/Publishing Course

Tuition: \$359

1 Day Hands-on Course

With this one day course, you will learn how to upgrade your knowledge of previous versions of Adobe Photoshop to the latest version of the creative suite. This course is geared toward all professionals working in print or digital photography who have a working knowledge of Adobe Photoshop.

PREREQUISITES: This course assumes that you are familiar with using personal computers and have used a mouse and keyboard (basic typing skills are recommended). Specifically, you should be able to launch and close programs; navigate to information stored on the computer; and manage files and folders. This course also assumes that you have previous working knowledge of a previous version of Adobe Photoshop.

WHO SHOULD ATTEND: This course is geared toward all professionals working in print and graphic design who have or plan to upgrade to the latest version of Adobe Photoshop.
