

First in Technology, First in Training.

## Intro to Mac

**Beginner Course**

**\$49**

**One Hour, Lecture-style Course**

**3pm-4pm**

### Overview

This one hour workshop will introduce you to the different pieces that make up the Mac OS interface, tell you how to navigate the interface, and show you how to use the Finder and Finder windows, the Desktop, the menu bar, and the Dock... your Mac essentials.

### Prerequisites

None

### Who should attend

This class is for anyone who is looking for an introduction to the Mac OS X.

### Topics

#### Finder & Desktop

The Finder is the place to find stuff on your Mac. Learn how to do just that using the Finder and Finder windows as well as how to navigate the Desktop.

#### The Dock & Stacks

The Dock is a collection of shortcuts to open applications, documents, and more. It's also where you'll find the Trash. You'll learn how to use the Dock and customize it for your daily routine.
