

Free FirstTech Seminars for February

All seminars are one hour

Lion OS X. Get comfortable with Apple's newest operating system. With over 250 new features including Multi-Touch gestures, Mission Control, full-screen apps, and Launchpad, we'll show you how to take your Mac further than ever.

Sat., Feb. 4 at 11:00 a.m.
Wed., Feb. 8 at 1:00 p.m.
Tue., Feb. 14 at 6:00 p.m.
Sat., Feb. 18 at 11:00 a.m.

iTunes Tips and Tricks. You'll learn how to share your iTunes content with other users and computers in your house. Play your music in any room without moving your computer and learn how to move your iTunes library to another hard drive, create custom playlists & many more tips.

Sat., Feb. 4 at 2:00 p.m.

Experience the new Logic Studio. At this event you will get to see the new Logic Studio up close. Enjoy an overview of what's new and see a live demonstration of many top new features—delivering everything musicians need to write, record, produce and perform on a Mac.

Sat., Feb. 11 at 11:00 a.m.

Experience iPad. You've got this new magical and revolutionary device: Now what? Come to this hands-on workshop and we'll show you tips and tricks, like organizing and displaying your photos in a slideshow, discovering Safari's new features, and learn new ways to see and touch your email like never before, as well as how to navigate the world's most advanced mobile operating system, iOS 5. Seminar length is 90 minutes.

Sat., Feb. 11 at 2:00 p.m.
Sat., Feb. 18 at 2:00 p.m.
Sat., Feb. 25 at 2:00 p.m.
Wed., Feb. 29 at 6:00 p.m.

Introducing Apple TV. This introduction to Apple TV will go over key features of the device, its set up and operation. You'll learn how to stream media content from iTunes and Netflix, as well as photos from iPhoto. We will discuss integration with iPad, iPhone and iPod Touch as well as your home entertainment system.

Sun., Feb. 12 at 1:00 p.m.

iPad in Business. iPad is ready for work, right out of the box. Join us to see what the iPad can do for your business.

Wed., Feb. 15 at 1:00 p.m.

Aperture For iPhoto Users. Join us for a fun one hour workshop to learn how easy it is to use Aperture to manage your growing photo collection, perfect your shots, and share them with others.

Wed., Feb. 15 at 6:00 p.m.

iPhone Photography. Our newest seminar explores the world of iPhone photography. With 8 megapixels and all-new optics, this just might be the best camera ever on a mobile phone. Find out how to capture, edit and share your photographs with your iPhone 4 and 4S.

Sun., Feb. 19 at 1:00 p.m.

Meet GarageBand '11. Welcome to the school of rock. If you want to learn to play an instrument, write music, or record a song, GarageBand has everything you need.

Wed., Feb. 22 at 6:00 p.m.

iWork from Apple. iWork, Apple's office productivity suite, is the easiest way to create documents, spreadsheets, and presentations the Mac way.

Sat., Feb. 25 at 11:00 a.m.
